PICKING UP AND DROPPING OFF CHILDREN

Our commitment

ISKA is committed to providing a safe environment for the participation of children and young people. Part of this is ensuring that children and young people are not left alone after training, tournaments and seminars.

What we will do

- Make sure parents/guardians and children know the time and location of all events, tournaments and training activities and when they can expect to collect their children.
- Request coaches/officials and other sporting personnel to arrive before scheduled events, tournaments or training activities.
- Give coaches/officials a register of parent/guardian emergency contact numbers and make sure they have access to a phone.
- Ensure that if parents/guardians are late, coaches/officials will try to make contact with them and:
 - ask the second to last child and their parent/guardian to wait with the coach/official and the child
 - get parents/guardians to collect their children from the club room (e.g. if there is a club room where other people will be).
 - avoid transporting children to their homes unless permission has been given by parents/guardians.

What we ask you to do

- Pick your children up on time or make other arrangements.
 - Inform the coaches/officials about any changes in arrangements for picking up your child.
-
